EDUCATION

Bachelor of Robotics & Artificial Intelligence

*Manav Rachna University
2025 -2029 (Expected)*

GPA Semester 1 : 8.73 / 10.0

GPA Semester 2 : 8.96 / 10.0

Senior Secondary Education

St. John's School | 2011 - 2025

10th CBSE BOARD: 86 %

12th CBSE BOARD: 86 %

SKILLS

- ROS (Noetic/Jazzy)
- Python & Arduino
- LiDAR SLAM
- Hardware Assembly
- MIT App Inventor

HOBBIES

- Pencil Sketching
- Reading Novels
- Listening to Music
- Playing Chess

LANGUAGES

- English (Proficient)
- Hindi (Native)
- German (A1)

ABOUT ME

I'm a hands-on learner who loves building things and figuring out how they work. I don't give up when a project hits a snag—I'd rather spend time finding the mistake than leave it unfinished. I enjoy working with a team and I'm always looking to learn new things properly from the ground up.

EXPERIENCE

● **Software Lead | Project ASCEND**

Developing a micro-UAV for GPS-denied environments. Led the 2D/3D mapping using RPLidar and ROS. Currently refining power systems for stability.

● **Project Lead | 6-Axis Robotic Arm**

Built a pick-and-place arm using Arduino and 6x servos. Developed a custom Bluetooth control app. Secured 2nd Place in university competition.

● **Intern | EcoWise Project | MR IMPACT 5.0**

Designing a 4-module e-waste curriculum for teens for **Open Education for a Better World (OE4BW) programme** under the mentorship of Dr. Piyush Charan.

● **Student Coordinator | St. John's School**

- Managed a team of 50 student prefects to maintain discipline and organize large-scale events.
- Invited as Guest of Honor in 2025 to mentor the incoming Student Council.

ACHIEVEMENTS

- **Leadership Roles:** Served as Senior Prefect in 11th grade and CCA Captain in 12th grade at St. John's School, demonstrating consistent leadership development.
- **Guest of Honor:** Invited by St. John's School for the 2025 Investiture Ceremony in recognition of exemplary leadership.
- **2nd Place, University Robotics Competition (2025):** Recognized for hardware integration and design of a 6-axis robotic arm.
- **Top 150 National Project Proposals:** Selected for the "EcoWise" sustainability curriculum design.
- **8.96 GPA:** Second semester of B.Tech.

DECLARATION

I hereby declare that all the information provided above is true to the best of my knowledge and belief.
